A Christmas filled with warmth and togetherness

When the lights glow and music fills the air, the spirit of Christmas comes to life.

Join us for a festive Christmas reception in our Seebär. One of the evening's most moving moments comes when we sing "Silent Night" together, followed by the traditional sounds of the Weisenbläser brass musicians.

Our Christmas gala dinner follows, with special dishes prepared by our kitchen team and gentle piano music to accompany the evening. We look forward to sharing a Christmas Eve filled with music, fine food and time together.

We wish you and your loved ones a joyful and peaceful Christmas!

Casino Royale

Elegance, excitement and a touch of 007: join us for a glamorous New Year's Eve celebration inspired by *Casino Royale*.

The evening begins with a festive reception in the lobby. Our James Bond lookalike will bring 007 flair and be ready for a photo with you. A professional photographer will capture special moments with your family, while a caricature artist creates a personal keepsake. A magician will add a few surprises of his own.

After a festive gala dinner, it's time to try your luck at our casino-style games, played purely for fun. Live music in the bar invites you to dance, and you can discover the traditional custom of tin pouring as midnight approaches.

We'll welcome the new year with a fireworks display, followed by a late-night lobster buffet. We look forward to celebrating a night of fine food, entertainment and unforgettable 007 moments with you.

Programme subject to change.
